

# AMRUT

## SINGLE MALT

6 x 750ml  
46% abv

**94 POINTS**  
**LIQUID GOLD AWARD**

Jim Murray's Whisky Bible

Aged in new American Oak Barrels and ex-Bourbon Barrels.  
100% Indian 6 row barley.

There is no age statement as maturation occurs at 3,000 ft with an average temperature of 91 degrees and humidity of 70% therefore the angel's share is considerable and can be as high as 12% per year. (generally 2% in Scotland). It is estimated that 1 year of aging in Bangalore = 3 years in Scotland.

### TASTING NOTES:

**NOSE:** Distinctly confidant liquorice-bourbon notes with near perfect bitter - sweet balance; burnt honeycomb and toffee also abound.

**PALATE:** Outstanding richness and sheen to the enormous barley-oak sweetness; again there is a big bourbony cut to the cloth with all the liquorice and molasses sugar normally associated; but the barley adds that extra dimension.

**FINISH:** Long, wonderfully layered oak offering variations of a sweet dry theme; a touch silky with some cream toffee at the death.

*“Our flagship single malt whiskey, from the land of the Himalayas”*
